Welcome to EnerSys - FIAMM Motive Power

Wherever in Europe there is a need for motive power batteries or chargers, Enersys is here to provide the perfect solution.
FIAMM Motive Power is part of EnerSys, the world leader in industrial batteries with activities covering motive power (traction batteries and chargers), reserve power (standby batteries for telecoms, UPS etc), and defense.

We are the largest European manufacturer of industrial lead-acid batteries, and have locations and service networks spanning Europe, Africa, Middle East and the rest of the world..
